### WELCOME TO OUR PRACTICE

**PLEASE NOTE THAT IN MOST INSTANCES, EXCEPT IN EMERGENCIES, THE PATIENT IS SEEN FIRST FOR CONSULTATION TO REVIEW THE HEALTH HISTORY, DECIDE ON THE MOST APPROPRIATE ANESTHESIA AND TREATMENT PLAN, AND SCHEDULE THE SURGERY AT A SEPARATE APPOINTMENT. THE FOLLOWING ONLY APPLIES IF SURGERY IS DONE AT FIRST APPOINTMENT**

1. Patient to receive IV sedation or General Anesthesia must have **NO FOOD OR DRINK**, including water, at least 6 hours prior to surgery. Some medications may be continued; this will be discussed at the Consultation appointment.
2. A responsible person must accompany you and remain in our office during your treatment. They must also be able to drive you home. Do **NOT** plan to drive an automobile for at least 24 hours after IV Sedation or General Anesthesia.
3. Any unmarried patient under the age of 21 must be accompanied by a parent or guardian at the time of surgery – or have written consent from the parent at the time of surgery – ideally notarized for medico-legal purposes.
4. Wear loose comfortable clothing with sleeves which are easy to push up.
5. Please bring all pertinent medical information and a list of ALL medications you are currently taking.
